I am an experienced graphic designer, and I enjoy print and web design. My goal is to land a career where I am making a difference and bettering myself each and every day.

Nothing is perfect; things can always be improved and enhanced. I believe if I work hard then I'll never actually work a day in my life, because I am doing what I love to do.

## SKILLS

Illustrator  
Photoshop  
Coding

Print Design  
Web Design  
UI/UX Design

## EDUCATION

2015  
-  
2018

### Associate Degree of Applied Business in Advertising Art

*School of Advertising Art*

Had a great experience expanding my skills in design, coding, and photography.

2012  
-  
2015

### Career Tech Diploma

*Delaware Area Career Center*

Took a three year class of graphic design which taught me the design basics and led me to the School of Advertising Art.

2011  
-  
2015

### High School Diploma

*Delaware Hayes High School*

Enjoyed being on our school volleyball team and softball team, as well as the stage crew for the school theater arts club.

## EXPERIENCE

2018  
-  
2018

### Internship

*Key-Ads*

Worked as a graphic design intern for the largest digital bulletin network company in Dayton.

2015  
-  
2017

### Photographer

*Capital A Photography*

Worked with many clients from newborns, children, families, and the elderly. Capturing the perfect memorable moments.

2014  
-  
2015

### Sales Associate

*Gordon Food Service*

Worked with customers and business owners to help them find just the right product.

2011  
-  
2014

### Student Tutor

*Delaware Hayes High School*

I was a paid student tutor, helping the students who struggled in math with their homework and class assignments.
